Child Care News

Summer Camp Begins Preschool Theme "Animal Friends"

We are going to have an exciting summer filled with fun activities in June.

The school age children will be introduced to spine-tingling adventures of Bible time stories. One adventure after another God takes care of those who are faithful to him.

Our field trips will include movies, library, swimming, Hagan Stone Park & other fun trips.

The Preschool children will learn about animals & animal sounds. They will discover that animals are part of God's creation. We will learn about taking care of animals and how wonderful our world is having them to share it with us.

We will be closed May 28th for Memorial Day.

Summer Camp for schoolagers will begin on June 13th.

Genesis 1:24

"God said let the earth produce all kinds of Animals"

Proverbs 12:10

"Good People take care of their Animals"

Spring Programs and Graduation

Our 3 & 4 year olds had their end of the year programs on Tuesday, May 23rd for Playschool and Thursday, May 25th Day Care. The children sang praises to God and shared songs they have learned and enjoyed all year with their families.

Our 4 year olds wore Graduation hats and were super stars in their programs on the stage. They are excited about Kindergarten in the fall!

June, what a glorious month. God's beauty abounds everywhere. In his earth and in his

children. Flowers, bugs, turtles, snakes, breezes, sunshine & rain, smiles, laughter, jumping, exploring, discovering, growing together. Now we approach the beginning of summer and new discoveries, and summer activities will begin.
