

**JOIN US FOR A CHURCH WIDE STUDY
BEGINNING AFTER EASTER!**

After Easter, TUMC is going to embark on a church-wide study, gathering as small groups in people's homes. This is a chance to dig into God's word & discover how the principles of *Living the Five* will give you the life you long for & the relationships God wants for you. *Our study is based around two key statements directly from Jesus: The Great Commandment and The Great Commission.*

IN OUR STUDY, WE'LL FOCUS ON FIVE PRINCIPLES:

1. You can't do life alone.
2. Growing people change.
3. Saved people serve people.
4. Found people find people.
5. Worship is a lifestyle.

*We are hoping for 100% church participation.
Join a small group and grow this spring!*

YES I'd like to plan to be a part of this study!
