SPECIAL FREE EVENT AT TUMC... DARKNESS-TO-LIGHT: STEWARDS OF CHILDREN TRAINING CLASS, APRIL 29TH, 12-3PM by S.A.F.E. Child Ministries, is designed for organizations that serve youth, and for adult individuals concerned about child safety. Check the link on our webpage for more info and to reserve a seat!

A special note about this event: *Earlier this year, I had the unique opportunity to attend the Darkness to Light Stewards of Children training. I'll admit, the subject matter of the training certainly made me uncomfortable and I was notably anxious prior to our getting started that evening, however, with four children of my own and other children in my sphere of influence, I felt God prompting me to attend, and I am so thankful He did! This training is absolutely invaluable! Personally, it has caused Ted and I to take a closer look at things with our own children and make some immediate changes to minimize any unnecessary risks for them. Also, it opened my eyes to an epidemic that children are facing that we can absolutely do something about. Please consider attending this training. If you have anything to do with children anywhere, you will find it valuable. Patti Marlowe, our trainer, is a personal friend of mine who does a phenomenal job at handling such a delicate issue with grace and poise. If you have any further questions about the training event, please don't hesitate to contact me. ~Rebecca Stewart*
