JUST A FRIENDLY HEALTH REMINDER... Cold and flu season is here, so please be respectful of those around you during church activities and worship services.

If you have symptoms of a cold or the flu (fever, sneezing, cough, running nose), avoid some of the friendly contact many of us like to share (like shaking hands, hugs, etc.) until those symptoms have been gone for at least 24 hours.

Though we would miss you, it may even be more loving, for your own health and the health of those at church, for you to stay home to rest and recuperate until "all clear."
